CERTIFICATE OF COMPLIANCE SEDIMENTATION AND EROSION CONTROL

PROJECT:	
ADDRESS:	
SEC PERMIT NUMBER:	
LOT NUMBER(S):	

This document certifies that erosion control measures have been installed in accordance with the approved sedimentation and erosion control plan for this project.

I hereby certify that the required erosion control measures comply with the intent of Pitt County's Soil Erosion and Sedimentation Control Ordinance and NCDEQ.

All aspects of the approved Sedimentation and Erosion Control plan are to be adhered to until the site is stabilized, and a Certificate of Completion is issued. This project is eligible for required Building Permits to be issued.
