

It is one of the most widespread and serious child health problems.

It can have devastating effects that last throughout a lifetime.

It strikes 1 out of every 10 children and adolescents.

It can destroy child care programs in which it occurs.

But it can often be prevented.

Or identified and stopped.

*If you know how.*

The TEDI BEAR Children's Advocacy Center at ECU's Brody School of Medicine offers free Stewards of Children training for child care professionals, educators, and all facilities and programs that are responsible for children.

Stewards of Children is a 2 – 2<sup>1</sup>/<sub>2</sub> hour seminar on practical, evidence-based ways to prevent, recognize, and respond effectively to child sexual abuse. The training can be offered in any community, on any day or evening of the week, at no charge. It can also be offered in either one or two sessions. This training is approved for several types of continuing education credit, and is especially appropriate for:

- Day Care Centers
- Church Child Care Programs
- After School Programs
- Child Care Training Classes
- Bus and Van Drivers
- Tutoring & Early Education Centers
- Mentoring Programs
- Parent Education Programs
