I understand that I must file with the Animal Services Director proof of ability to respond to damages in the form of a certificate of insurance from an insurance company authorized to do business in the state of North Carolina, stating that I am insured by a policy with a minimum coverage of one hundred thousand dollars (\$100,000) per claim to compensate persons for personal injury and property damage. Such insurance shall provide that no cancellation of the insurance will be made unless ten (10) days written notice is first given to the Animal Services Director.

I also understand that this permit is not transferable.

I have read and reviewed Part VI of the Pitt County Comprehensive Animal Services Ordinance.
