| SPECIES | SEX | ALTERED | COLOR | WEIGHT | AGE | NAME | RABIES TAG # | RABIES VACC. DATE |
|---------|-----|---------|-------|--------|-----|------|--------------|-------------------|
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |
|         |     |         |       |        |     |      |              |                   |

**\*\*NOTE\*\* Proof of pets spay or neuter is required**

I understand that if this permit is granted, I will not alter its terms or allow said animals to become a nuisance. I further understand that if a violation does occur, this permit is subject to non-renewal and/or the issuance of a citation.
